Each spacious room possesses panoramic views over the river and forest and are a cool and breezy haven during the heat of the day. All the rooms possess sumptuous, super-king sized double beds (6ft x 6ft6in) or twin beds; which can also be joined seamlessly together to form a super king.

Each cottage is supplied with 240v power and hot running water at all times and possesses a shower, twin marble basins, flush-loo and a large hand-built sunken bath - doubling as a mini plunge-pool 'with a view' during the day.

Spectacular raised wooden decks afford a tranquil and private space to relax and watch the river and forest wildlife go by.
